Shareholder instructions for E-Voting:

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:-

ANNUAL REPORT 2020-21

i. The voting period begins on Monday, 27th September, 2021 at 09:00 A.M. and ends on Wednesday, 29th September, 2021 at 05:00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 22nd

September, 2021, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India

(Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders,

in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail

shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on

various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat

account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also

enhancing ease and convenience of participating in e-voting process.

iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository

Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat

ANNEXURES TO THE BOARD'S REPORT ANNEXURE – V MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Development:

The Company being a wholesaler of premium quality teas has been able to cater to the needs of its valued customers. With shortage in supply of quality areas in the market, the Company is earning high prices for its teas and is expected to perform satisfactorily.

Tea being a common man's drink is consumed widely throughout the country. The Global Tea Production (Excluding China) in the financial year 2020-21 was at par with 2019-20. All India Tea Production during 2020-21 is 1283.03 million kgs compared to 1360.81 million kgs in the previous financial year. The Indian tea market is estimated to be Rs. 26,000 Crores, with unbranded being 30-35% of the overall market (by value). Tea is the favourite Indian beverage and we continue to see growth across all tiers through up gradation from loose to economy branded tea and movement up the chain to premium and super premium teas.

Health & wellness continues to be a strong trend and consumers are also looking at functional benefits from their cup of chai (such as Ayurveda Tea and Tulsi Tea). The Tea manufactured in the country is almost sufficient to meet the internal domestic demands. The weather is of prime importance for the Tea manufacturing industry for achieving/ maintaining the production target for the industry. Due to the vagaries of the weather the production of tea fluctuates within a given range. However, in spite of this scenario the outlook for the tea industry appears to be good, due to its increasing demand and consumption.

Opportunities & Threats:

The continuous promotional efforts and better marketing and brand building initiatives taken jointly by the Government/Tea Board including TRUSTEA program are likely to benefit the industry in the long term. India is the world's second largest tea consumer and the per capita consumption of teas in India is increasing every year. The customers nowadays prefer quality tea and willing to pay more for quality tea. Increasing consumer awareness for quality, branding and promotion will have positive impact on prices in domestic market. Tea continues to enjoy the status of being the most popular beverage in the World.

The Tea Industry is largely dependent on the vagaries of nature. The Industry is highly labour intensive and is subject to stringent labour laws. The costs of production of tea, comprises of various inputs which are required to be met by the Company as stipulated under various statutes both Central and State including the Plantation Labour Act. Thus, after meeting the various Central and State levies etc the industry is left with a very small margin to meet its other expenses for advertising, marketing and sale of the product.

Comparatively high labour costs, high social cost over most other tea producing countries, high infrastructure costs remain the major problems for the Indian Tea Industry. Shortage of labour during peak season is also a cause for concern.

These problems need to be addressed by improved productivity. The Tea Industry both in Assam and in West Bengal have discussed with the Trade Unions and implemented productivity linked wages for the tea workers with a view to regain the Industry's competitiveness in the global market.

The vagaries of monsoon being unpredictable together with increase in wages and input cost could vary the profitability of the Company. Emphasis is to be laid on cost control through newer technologies in cultivation and mechanization.

Risk & Concerns:

The rapid spread of COVID - 19 pandemic across the world, including India, followed by Lockdowns have impacted the production. Also, due to COVID - 19, production of Tea is adversely affected till date, resulting in loss of revenue, increased cost of production, which would adversely impact the profitability of the company. However, due to lower tea in supply chain, prices have firm up and shall remain buoyant during the year. High Value teas unlikely to witness major spurt in prices as global economies slow down and consistent quality and stalk free tea is an important component towards achieving better averages are the major risks to the industry. Also, the cost of production is substantially higher compared to other tea producing countries due to high labour wage and social cost. Any further increase in wage will substantially hit the bottom line.

To mitigate various type of risks that the Company has to face, the Board of Directors of the Company has adopted a Risk Management Policy and implemented the same.

Operational Performance:

The Companies growth considering the past few years' performance has been Outstanding. The Company is striving further increasing profits. The profit after tax from the operations for the year ended March 31, 2021 is Rs. 28,73,191as against Rs. 31,12,850 in a previous financial year.

Market and Outlook:

The Company is continuing its focus on quality and mechanization and expects that the performance to be stable in the current year. The COVID-19 pandemic has resulted in short-term disruptions in the industry, especially for out-of-home consumption. Even for essential products like Tea, there will be supply challenges before things get normalised. In the short term, we will also see consumers getting more value conscious and hence, the growth dynamics will change across the different tiers (economy / premium).

Internal Control System and their Adequacy:

The Company has an adequate Internal Control System commensurate with the size and nature of its business. The preparation designing and documentation of Policy on Internal Financial Control has been finalized and implemented which will be reviewed periodically and modified suitably to ensure controls. The internal audit functions are carried out by a separate firm of Chartered Accountants. The quarterly audit reports, including significant audit observations and corrective actions thereon, are presented to the Chairman of the Audit Committee.

Human Resources:

Human Resource programs and initiatives in your Company are aligned to meet the business needs. Your company believes in investing in people to develop and expand their capability. The Company has been able to create a favorable work environment that motivates performance, customer focus and

innovation Company's strategies are based, inter alia, on processes of continuous learning and improvement.

Cautionary Statement:

Statements in the Management Discussion & Analysis Report describing the Company's expectations, opinion, and predictions may please be considered as "forward looking statements" only. Actual results could differ from those expressed or implied. Company's operations should be viewed in light of changes in market conditions, prices of raw materials, economic developments in the country and such other factors.

Key Financial Ratios:

Pursuant to financial year the SEBI (Listing Obligations and Disclosure Requirements), (Amendment), Regulations, 2018, the key financial ratios viz., Debtors Turnover, Inventory Turnover, Current Ratio, Operating Profit Margin (%), Net Profit (%), Return on Net Worth, Interest Coverage and Debt Equity ratios do not exceed significantly as compared to the immediately preceding Financial Year.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SATYA SHYAM TRADING LIMITED

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

OPINION

We have audited the accompanying Financial Statements of **SATYA SHYAM TRADING LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS"), of the state of affairs of the Company as at March 31, 2021, its total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and Rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTERS

The Operations of the Company during the year ended 31st March 2021 were marginally affected due to Lockdown announced by the Central / State Governments during the year in phased manner, due to the outbreak of Novel Corona virus COVID 19.

Considering the restrictions in physical movement and visits to the company offices, the Company has given us access to their computer/ ERP System. We were able to access the relevant data & records for our Audit purpose. Further the company has provided all other data / information / records as required by us using e-data/ e-mail sharing modes. We also had continuous communication with the Audit Team & Management of the Company using various modes such as Audio/ Video Conferencing, etc.

Due to the phase wise Lockdown imposed by Central / State Governments and the resulting travel restrictions, it was not possible for us to physically visit the Company on a regular basis and carry out the audit function. We have carried out the Audit Process using various techniques of Online Auditing. We have verified the records / documents / statements received by us through electronic media. We have also received Management Representation Letters wherever necessary. Using such techniques and relying on the inputs provided by the management, we have ensured reasonable assurance that the information / record / statements provided to us are free from material misstatement and adhere to the relevant standards.

We have carried out the Audit Process subject to our disclosures as mentioned above. The audit evidence obtained by us is adequate to express our audit opinion. While expressing our audit opinion, we have also relied upon certifications by the management or certifications by other independent auditors, wherever required.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Principal Audit Procedures/ Auditor's Response:
1.	Appropriateness of Current / Non-current classification	For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of business and the time between the acquisition of assets or inventories for Sales processing and their realisation in cash and cash equivalents.
		The classification of assets and liabilities has been done based on documentary evidence. Where conclusive evidence is not available, the classification has been done based on management's best estimate of the period in which the assets would be realised, or the liabilities would be settled. We have evaluated the reasonability of the management's estimates.
2.	Non-responses of external confirmations request perpetrated pursuant to SA 505.	
	COVID-19 has impacted the procedure of external confirmation request by management to vendors and customers. Postal facilities were not available in the near end of the financial year. To combat this, the management had sent positive external confirmation requests through electronic modes. However, due to suspension of business activities of many confirming parties, there are fewer confirmations received than anticipated.	In the absence of related confirmations, we performed alternative audit procedures like follow-up confirmation requests, verification of subsequent payments and receipts to verify part of the balances appearing in the books of accounts.
	In such events, SA also directs the auditors to perform alternative audit procedures.	
3.	Provisions and contingent liabilities relating to taxation, litigations and	Our audit procedures included:

arbitrations.

The provisions and contingent liabilities relate

to ongoing litigations and claims with various

authorities and third parties. These relate to direct tax, indirect tax, claims and general legal proceedings arising in the regular course of business. As at the year ended 31st March 2021, the amounts involved are significant. The computation of a provision or contingent liability requires significant judgement by the Company because of the inherent complexity in estimating future costs. The amount recognised as a provision is the best estimate of the expenditure. The provisions and contingent liabilities are subject to changes in the outcomes of litigations and claims and the positions taken by the Company. It involves significant judgement and estimation to determine the likelihood and timing of the cash outflows and interpretations of the legal aspects, tax legislations and judgements previously made by authorities.

4. Measurement of inventory quantities of Tea

As of 31st March 2021, the Company has tea inventory of ₹11031349. This was determined a key audit matter, as the measurement of these inventory quantities lying at the godowns involves significant judgement and estimate resulting from measuring the surface area. The Company uses internal and external experts, to perform volumetric assessments, basis which the quantity for these inventories is estimated.

Understanding the process followed by the Company for assessment and determination of the amount of provisions and contingent liabilities relating to taxation, litigations and claims.

Evaluating the design implementation and testing operating effectiveness of key internal controls around the recognition and of measurement provisions and reassessment of contingent liabilities. Involving tax professionals with specialised skills and knowledge to assist in the assessment of the value of significant provisions and contingent liabilities relating to taxation matter, on sample basis, in light of the nature the exposures, of applicable regulations related and correspondence with the authorities. Inquiring the status in respect of significant provisions and contingent liabilities with the Company's internal and legal team, including tax challenging the assumptions and critical judgements made by the Company which impacted the computation of the provisions and inspecting the computation.

Our audit procedures relating to the measurement of inventory includes the following:

- Understanding and evaluating the design and operating effectiveness of controls over physical count and measurement of such inventory.
- Evaluation of competency and capabilities of management's experts.
- Involving external expert for quantification of the inventories on sample basis.
- Physically observing inventory measurement and count procedures carried out by management using experts, to ensure its appropriateness and completeness; and
- Obtaining and inspecting, inventory measurement and physical count results for such inventories, including assessing and evaluating the results of analysis performed by management in respect of differences between book and physical quantities.

5. Timing of revenue recognition and adjustments for quality variances involving critical estimates

Material estimation by the Company is involved in recognition and measurement of its revenue. The value and timing of revenue recognition for sale of goods varies from contract to contract, and the activity can span beyond the year end.

Revenue from sale of goods is recognised when control is transferred to the customers and when there are no other unfulfilled obligations. This requires detailed analysis of each sale agreement/contract/customer purchase order regarding timing of revenue recognition.

Inappropriate assessment could lead to a risk of revenue being recognized on sale of goods before the control in the goods is transferred to the customer.

The variation in the contract price if not settled mutually between the parties to the contract is referred to third party testing and the Company estimates the adjustments required for revenue recognition pending settlement of such dispute.

Such adjustments in revenue are made on estimated basis following historical trend.

Inappropriate estimation could lead to a risk of revenue being overvalued or undervalued.

Accordingly, timing of recognition of revenue and adjustments for quality variances involving critical estimates is a key audit matter.

In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:

- Assessing the Company's accounting policies for revenue recognition by comparing with the applicable accounting standards i.e Ind AS 115.
- Assessing the appropriateness of the estimated adjustments in the process.
- Testing the design, implementation and operating effectiveness of kev internal controls over timina recognition of revenue from sale goods subsequent and adjustments made to the transaction price.
- Performing testing on selected statistical samples of customer contracts. Checked terms and condition related to acceptance of goods, acknowledged delivery receipts and tested the transit time to deliver the goods and its revenue recognition. Our tests of details focused on cut-off samples to verify only revenue pertaining to current year is recognized based on terms and conditions set out in sale agreements/ contracts and delivery documents. We also performed tests to establish the basis of estimation of the consideration and whether such estimates are commensurate with the accounting policy the Company.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexure to Board's Report and management compliance certificate but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

If, based on the work we have performed, we conclude that there is no material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)
 (i) of the Act, we are also responsible for expressing our opinion on whether the

company has adequate internal financial controls with reference to financial Statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statements that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of SATYA SHYAM TRADING LIMITED on the Financial Statements for the year ended 31st March 2021)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SATYA SHYAM TRADING LIMITED** ("the Company") as of 31st March 2021 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the

preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, and to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

The Company's risk management activities are subject to the management direction and control under the framework of Risk Management Policy as approved by the Board of Directors of the Company. The Management ensures appropriate risk governance framework for the Company through appropriate policies and procedures and that risks are identified, measured and managed in

The Company is primarily exposed to risks resulting from fluctuation in market risk, credit risk and liquidity risk, which may adversely impact the fair value of its financial instruments.

Market risk a)

Market risk is the risk that future earnings and fair value of future cash flows of a financial instrument may fluctuate because of changes in market price. Market risk comprises of currency risk and interest risk.

- i) Interest risk: During the year there is no such transaction.
- ii) Foreign currency exchange risk: During the year there is no such transaction.

Credit risk refers to the risk that a counterparty or customer will default on its contractual obligations resulting in a loss to the Company. Financial instruments that are subject to credit risk principally consist of Loans, Trade and Other Receivables, Cash & Cash Equivalents, Investments and Other Financial Assets. The carrying amounts of financial assets represent the maximum credit risk exposure.

Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analysing credit limits and creditworthiness of counter parties on continuous basis with appropriate approval mechanism for sanction of credit limits. Credit risk from balances with banks, financial institutions and investments is managed by the Company's treasury team in accordance with the Company's risk management policy. Cash and cash equivalents and Bank Deposits are

Since the Company has a fairly diversified portfolio of receivables in terms of spread, no concentration risk is foreseen.

Trade and other receivables:

To Manage trade and other receivables, the company periodically assesses the financial reliability of customers, taking in to account the financial conditions, economic trends, analysis to historical bad debts and ageing of such receivables.

The ageing analysis of the trade receivables has been considered from the date the invoice falls

Capital Management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximise shareholder value.

The Company monitors capital using gearing ratio, which is net debt (borrowings less cash and bank balances) divided by total equity plus net debt.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation for each level is given below.

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

12) Estimation of uncertainties relating to the global health pandemic from COVID-19:

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of these financial statements including the recoverability of carrying amounts of financial and non financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information that the carrying amount of these assets will be recovered.

13) Indications of Impairment:

In the opinion of management, there are no indications, internal or external which could have the effect of impairing the value of assets to any material extent as at the Balance sheet date requiring recognition in terms of IND AS-36.

14) There were no such transactions that were not recorded in the books of accounts that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
